

## A Hand Up - Not A Hand Out

Habitat for Humanity Mid-Vancouver Island builds decent, affordable homes that it sells, with no down payment, to families in our community. Habitat also provides the families with a no-interest mortgage.

We work in partnership with volunteers, donors, sponsors, and the homeowners themselves to build these homes. In the process, we build new-found hope and a stronger sense of community for hard-working, low income families.

Remember, the purchases that you make in the ReStore and ReFresh support Habitat for Humanity Mid-Vancouver Island's home building projects; homes that break the cycle of poverty for our Habitat "partner families".

## Decent Housing Saves Lives

Through our work, we've seen incredible things happen when people build a home. But even more incredible is seeing how a home builds people.

Children living in suitable housing do better in school, have higher self esteem and stronger social skills. People who spend less on rent can spend more on other necessities like childcare, utilities, food, and contribute to the well-being of their families.

Safer, well maintained homes improve living conditions, and build healthy, strong and resilient families. A stable home also builds connections, pride and greater opportunities for work. For people to become everything they can be, they need the right place to become it and that place is **Home!**

## Volunteering in the ReStore

The ReStore is the social enterprise of Habitat for Humanity Mid-Vancouver Island.

- The Nanaimo ReStore is open:  
Monday to Saturday 9am-5pm
- Duncan ReStore is open:  
Monday to Saturday 9am-5pm

Our ReStores have a small staff team and many volunteers. The ReStore and the Re-Fresh/ReStore is a vital link to the success of our affiliate. The revenues raised assist us with operational expenses, purchasing land and building homes for families in our community.

Donating to the ReStore diverts thousands of tonnes of re-useable building material and renovation products from landfills.
