

Katherine Lamb

Katherine is a seasoned HR professional with more than 12 years' experience across multiple industries and is a graduate of the Human Resources Management program at BCIT. Katherine is currently employed by The Hazelwood Group of Companies as HR Manager. Her responsibilities and areas of expertise include managing the full-cycle recruitment process, and also collaborating with senior management on the development and implementation of human resources strategies.

Katherine was drawn to the HFHMVI mission to provide safe and affordable housing for families in the Mid-Vancouver Island community. Katherine had been thinking of joining a board for a while but was waiting for the right opportunity. She believes it's a good way for her to use her HR knowledge to serve her community and give back and is appreciative for this opportunity because it fits with her values and beliefs.

We build strength, stability, and independence *through* affordable homeownership.
