

Kimberley Cook

Kimberley is a partner at Thorsteinssons LLP, Canada's largest tax boutique law firm. Kim received her LL.B. from the University of Western Ontario in 1986 and was admitted to the British Columbia bar in 1987. Her tax litigation practice focuses exclusively on income tax, GST, PST, and international trade.

During her career, Kimberley has also been the HR director of a law firm, acted as the chief operating officer of both TaxBack Services Inc. (a financial services company) and Parkscape Management Ltd.(a BC provincial park facility operator) and taught international business part-time at BCIT and Capilano University.

A long-time resident of Nanaimo, Kim was a member of the Board of Directors for the Haven Society from 2011 to 2020 and was drawn to HFHMVI because she was attracted by a desire to hopefully make a difference in the housing affordability crisis.

We build strength, stability, and independence through affordable homeownership.
