

Trevor Coyle

Trevor grew up living in various towns and cities on Vancouver Island. He moved to Nanaimo to settle his roots with his family in 2020 and is currently working as the Director of Real Estate Development for a Nanaimo based firm. He is also a construction management professional with more than 20 years in the industry who is Gold Seal Certified in General Contracting, and a Certified Master Blackbelt in Lean Management.

Trevor has been volunteering with various community causes and organizations since he was 15 years old. Through these experiences he has developed compassion for the challenges that many families in our community face and is passionate about sharing his business and construction expertise to support their path to life security and affordable home ownership.

We build strength, stability, and independence *through* affordable homeownership.
