**Meet Jennifer...
our new Duncan ReStore Manager!!!**

“Jennifer was born and raised in Victoria. Her family spent weekends & holidays exploring all that Vancouver Island has to offer. While Jennifer has spent time living in other parts of the country and the world, she has always considered the Island home.

Jennifer has worked in many service-based sectors - hotel, restaurant, retail, and senior living. Common threads in her career path are a dedication to excellent customer service and building strong relationships with customers and community members. She is excited to join the Duncan team.”

**Did you know that April 24-30 is
NATIONAL VOLUNTEER WEEK?**

Volunteering in the ReStore assists our community in reducing the disposal of goods to our landfill. Additionally, your volunteer hours enable us to support the building of houses for our Habitat families through the proceeds from the sales at the ReStore.

Your help assists future Habitat homeowners!
